

Assistant Professor, Information Systems & Decision Science (MA246)

Vacancy Number: MA246 **Department:** Information Systems and Decision Science

Auburn University Montgomery invites applications for an Information Systems tenure-track position as either a:

- faculty member at the Assistant Professor level
- OR**
- Department Head position at the Associate or Full Professor level.

The University: Founded in 1967, Auburn University Montgomery (AUM) is the metropolitan campus of Auburn University, a land-grant institution. Located in the state capital of Montgomery, AUM serves a diverse student body of approximately 5,400 students and faculty/staff of 575 in five academic schools: Business, Education, Liberal Arts, Nursing, and Sciences. Montgomery supports cultural attractions including the Alabama Shakespeare Festival, Montgomery Museum of Fine Arts, and the Rosa Parks Library and Museum, among others.

Responsibilities/Qualifications: The position is in the Information Systems and Decision Science Department. The department will consider qualified individuals in Information Systems (IS), Management Information Systems (MIS), or Computer Information Systems (CIS). Preference will be given to individuals holding an earned doctorate in these fields from an AACSB accredited program and who demonstrate the ability to provide quality teaching, research, and service to the School of Business. ABD candidates are also encouraged to apply. Qualified applicants who also possess relevant professional business experience in information systems are highly desirable. Of particular interest are individuals with competencies in one or more of the following: Systems Analysis & Design, Application Security, other areas of Security, Storage Technologies, and ERP Systems. Compensation will be competitive based on an individual's qualifications and experience.

To apply: Interested candidates should submit a letter of application, along with a current vita that includes the names, addresses, and telephone numbers of at least three references, and an unofficial copy of transcripts to:

[Dr. Tom Griffin](#)
Department of Information Systems and
Decision Science
Auburn University at Montgomery
P.O. Box 244023
Montgomery, AL 36124-4023

Note: An official transcript will be required from the individual selected for this position.
Review of applications will start immediately and will be accepted until the position is filled.

Auburn University at Montgomery seeks diversity in its administration, faculty, staff, and student population. Women and minorities are encouraged to apply.

AUM is an equal opportunity and affirmative action employer.
