

## TWELFTH SDPS TRANSDISCIPLINARY CONFERENCE ON INTEGRATED SYSTEMS, DESIGN AND PROCESS SCIENCE

### *CALL FOR POSTER PRESENTATIONS*

THE INFORMATICS INSTITUTE  
AUBURN UNIVERSITY AT MONTGOMERY  
MONTGOMERY, ALABAMA  
Nov 1 - 5, 2009

The twelfth SDPS Transdisciplinary Conference on Integrated Systems, Design and Process Science invites students to present their outstanding research and projects in the form of poster presentations. The conference will be attended by prominent faculty members from various universities all over North America, Europe, and Asia. Two selected posters will be awarded the outstanding poster award including a cash prize. To attend the conference, the student presenters must pay a discounted student registration fee of \$195.00 which includes all the events provided with a standard member registration. Registration is not required before abstract submission.

Begin by selecting a topic area from the list below that best matches your research or project; then submit your entry by email.
