Participated in the development of the core curriculum and curriculum for two tracks for the MSN; Primary Care Nurse Practitioner/Family Nurse Practitioner and Nurse Educator for Interprofessional Education.

Participated in the development of the curriculum for postmaster's Doctor of Nursing Practice.

UNDERGRADUATE CURRICULUM/PROGRAM DEVELOPMENT

One of lead faculty in identifying gaps in curriculum (courses) related to competency-based education for American Association of Colleges of Nursing (AACN) Essentials for Baccalaureate Nursing (BSN) programs. Revised course description, course objectives, and clinical objectives as needed for four courses to align with the BSN Essentials and SON program outcomes.

Currently reviewing assessments within four courses and aligning with competency-based education for American Association of Colleges of Nursing (AACN) Essentials for Baccalaureate Nursing (BSN) programs and with the BSN Essentials and SON program outcomes.

Revised Course Summary Template for the Baccalaureate Nursing (BSN) programs incorporating newly approved SON program outcomes and added the table for Advanced Technologies Inc (ATI) exam results.

Revised Syllabus Templates for Clinical and Non-Clinical Courses for the traditional Baccalaureate Nursing (BSN) program.

Revised Syllabus Evaluation Guide for the traditional Baccalaureate Nursing (BSN) program. Spring 2024, Dean Leuner requested to utilize presentation along with objectives and evaluation questions from my presentation below to support credentialing to provide continuing education at the SON:

Next Generation National Council Licensure Examination (NCLEX) for Registered Nurses [Virtual podium presentation]; Alabama Hospital Association: Health Educators of Alabama (HEAL) Virtual Conference, February 23, 2023; A. E. Justice. State meeting.

Advanced Technologies Inc (ATI)- utilized assessment builder and developed practice quizzes with NexGen style questions, sharing with nursing faculty to assist with development of their own quizzes.

Collaborated in developing a HESI gap analysis tool for the nursing program

Revised the Test Blueprint for the Undergraduate Program

Assisted with course revisions based on HESI gap analysis, needs assessment, and NCLEX test blueprint.

Also assisted with information gathering for completion of Alabama Board of Nursing (ABN) report

Assisted with revision of Test Blueprint table for faculty use with exam development

Resource person for new faculty and committee chairs (Curriculum and Program Evaluation)

Assisted with revisions to Adult Health across curriculum based on HESI gap analysis and needs assessment.

As Curriculum Chair led curriculum committee in the revision/ development of the core curriculum for the Traditional BSN program based on AACN BSN Essential. Assisted with development of Program Outcomes based on Essentials.

As Program Evaluation Chair led program evaluation committee in review of CCNE standards and in the collection of data for various sections of the standards for the CCNE accreditation report.
