INDUSTRY EXPERIENCE

AXCELL LLC (1985 - CURRENT)
President and Senior Consultant
> Brought in $24.7M in new contracts and worked with over 155 senior executives over 25 years conducting strategy assessments, technology project implementations, process redesign, generating business effectiveness solutions, facilitating management sessions, and delivering training sessions. Worked extensively in healthcare, manufacturing, distribution, and financial vertical industries in Japan, Hong Kong, Singapore, Fiji, Tonga, Philippines, Canada, Mexico U.S., and Australia.

GENERAL ELECTRIC (2000 – 2001)
Director, Enterprise Solutions
> Came in to start a new value-add consulting practice within the North American Field Sales group with the purpose to provide expertise in the areas of four solution areas: e-business, storage, networking, and security. With a P&L budget of $2.6M, hired and managed the team of 12 core business consultants located in the field with a strong research-based infrastructure. Deliverables focused on providing differentiated strategic value for GE Access to the reseller partners in the form of copyrighted white papers, readiness assessment surveys, professional services analysis, solutions practice transformation, end-user proposal analysis, solution sales training, and emerging technologies presentations. Within six months, the team had written and published 10 white papers, conducted and delivered 11 in-depth assessment surveys, and worked with 24 reseller business models affecting over $27M of product-stream revenue; anticipated incremental product revenue run rate at $106M by Q4.

GARTNER GROUP - SOLISTA (1998 – 2000)
Partner
> Managed the area of e-business sales and consulting engagements within the Boulder emerging technologies group. Developed a significant number of new business opportunities in Denver, California, and Europe (Switzerland). Worked with the partners to develop significant corporate infrastructure in the areas of business development, strategic partner alliances, large engagement account management and strategic service offerings. Developed e-business road shows for an alliance set of partners educating key Sun/Oracle resellers on the e-builder space using the Oracle iSpeed methodology around key e-business technology vendors. Worked with a significant number of new e-business start-up companies developing business models around the e-builder space. Focused on the strategic ramifications of the convergence between the internet, wireless, and broadband technologies. Enabled clients to set sales strategies around solution stacks and packaging e-business solutions for faster time-to-market results saving, in one case, four months and $3.2M.

86. Invited speaker: "End-User Computing: Organizational Change," Presentation to the faculty of the University of Minnesota, School of Management, Minneapolis, U.S.A., February 21, 1986.

TEACHING EXPERIENCE

Worked with doctoral students at:
- Technological Institute of the Philippines, Manila, Philippines (2016 – present)
- Palawan State University, Puerto Princesa, Philippines (2015 – 2017)
- De La Salle University, Manila, Philippines (2013 – 2018)
- Addis Ababa University, Addis Ababa, Ethiopia (2009 – 2015)
- Tokyo Tech, Suzukakedai Campus, Tokyo, Japan (2008 – 2014)

At Auburn University, Montgomery, Alabama, USA
- Project Management (2017 - 2018)
- Information Technology Law and Ethics (2015 – 2016)
- Global Information Systems (2017 - 2018)
- Innovation Leadership (2018)
- Strategy and Competitive Advantage (2017)
- Enterprise System Integration (2015-2016)
- E-Commerce (2015-2016)
- Data Analysis (Executive MBA 2017 - 2018)
- Japan Study Abroad (2014-2018)

At Asian Institute of Management, Manila, Philippines
- Global Information Systems (2018)
- Innovation Strategy (multidisciplinary course) (2013-2017)
- Strategic Information Systems (2012-2017)
- Innovation Tools to Enhance Creativity (2014)
- From Research Model to Path Analysis (2014-2016)

At Technological University of the Philippines, Manila
- Business Process Redesign (2013)
- Executive Information Systems (2014)
- E-Commerce and Emerging Technologies (2014-2015)

At Tsukuba University, Tokyo, Japan
- Culture and International Business (2011)
- Technology Management: Strategy, Leadership, Innovation, and Technology (2008-2012)
- Achieving Competitive Advantage through Innovation (2010)

JAPAN STUDY ABROAD (2007-PRESENT)
- Keio University, Shonan Fujisawa Campus

- Kanagawa Institute of Technology, Fujisawa
- Chukyo University, Nagoya
- Kanto Gakuin University, Yokohama Campus
- Tokyo University of Marine Science and Technology, Shinagawa
- Tsukuba University, Myogadani Campus, Tokyo
- Tokyo Keizai University, Kokobunji, Tokyo
- Tokyo Tech University, Suzukakedai Campus
- Yokohama National University, Yokohama
- Shiga Prefecture University, Gakken-Kita-Ikome Campus
- Takashoku University, Myagadani Campus

PROFESSIONAL SERVICE

1. Japan American Society of Alabama, Keynote Address, Birmingham, AL, United States, approximately 15 hours spent for the year (October 2016 - Present).

2. Consulate-General of Japan in Atlanta, Interaction with Industry, Atlanta, GA, United States, approximately 12 hours spent for the year, May 2016 - Present).

3. Attend the Consul General Shinozuka's celebration of the Emperor's birthday, December 6, 2016

4. Central Alabama Association of Chinese, Member, Montgomery, Alabama, United States, approximately 10 hours spent for the year,. (2014 - Present).

5. JOURNAL REVIEWER (2015-PRESENT) – MIS Quarterly.

2. CONFERENCE COMMITTEE (2014) - American Conference on Information Systems, to be held in Savannah, Georgia, August 2014.

3. MINITRACK CHAIR (2011) - Hawaii International Conference on Systems Sciences, in the research area of Social Issues in Information Systems and Measuring Effectiveness, Koloa, Hawaii, U.S.A., January 4-7 2011.

4. MINITRACK CHAIR (2010) - Hawaii International Conference on Systems Sciences, in the research area of Social Issues in Information Systems and Measuring Effectiveness, Waikoloa, Hawaii, U.S.A., January 6-9, 2010.

5. Advisory Board (2008-2010) – Addis Ababa University Ph.D. Program in Information Systems.

6. MINITRACK CHAIR (2009) – AMCIS Conference, Association for Information Systems, San Francisco CA, August 5-9, 2009.

7. MINITRACK CHAIR (2009) - Hawaii International Conference on Systems Sciences, in the research area of Social Issues in Information Systems, Waikoloa, Hawaii, U.S.A., January 4-7, 2009.

UNIVERSITY SERVICE

Department – highlight leadership roles and volume of work undertaken

MSISM Coordinator, Committee Chair, approximately 85 hours spent for the year, Yes, appointed, Pro Bono, Made presentation to the IS Advisory Board, Graduate Curriculum Committee, and Graduate Council. (July 2015 - Present). Redesigned the MSISM degree program.

School of Business - highlight leadership roles and volume of work undertaken

1. Graduate Curriculum Committee, Committee Member, approximately 20 hours spent for the year, appointed, Pro Bono, served ex-officio. (July 2015 - Present). Serving on the GCC as the coordinator of the MSISM program committee.

2. Innovation Graduate Program, developing program for the Dean, approximately 35 hours spent for the year (August 2015 - Present). Developing a graduate program in innovation for the Dean.

University Service

1. Study Abroad Committee (August 2017 – Present).
2. Ad Hoc Committee on Best Practices for International Agreements, Committee Member, approximately 15 hours spent for the year, appointed (August 2015 - Present).
3. Online Learning Assessment Technology Committee, Committee Member, approximately 20 hours spent for the year, appointed (July 2014 - Present).
4. Graduate Council, Committee Member, approximately 16 hours spent for the year (July 2016 - June 2018).
5. Ida Belle Young Endowed Professorship Committee, Committee Member, approximately 10 hours spent for the year (August 2015 - July 2017).
6. Spring 2017 Convocation, Attendee, Convocation. (May 2017).
7. Air Force Cyber College Symposium, Attendee, Meeting, approximately 8 hours spent for the year, (May 24, 2017).
8. WAC Certification. (January 2017 - April 2017).

GRANT MONIES RAISED
- CORPORATE FOUNDATION FUNDING - $14,000 International Center for Innovation in Technologies (2012)
- MICROSOFT - $25,000 Windows 8 Mobile Development (2011).

- SEED MONEY GRANT - $8,000 International Center for Innovation in Technologies (2010).
- JAPAN MINISTRY OF ECONOMICS, TRADE, AND INDUSTRY (METI) AND MINISTRY OF EDUCATION, CULTURE, SPORTS, TECHNOLOGY AND EDUCATION (MEXT) - $12,675 Travel grants for Japanese scholars from Keio University, Tokyo University of Marine Science and Technology, Yokohama National University, Tokyo Keizai University, and Kanagawa Institute of Technology (2009).
- TSUKUBA UNIVERSITY RESEARCH FELLOW GRANT - $22,000 Mobile Ecosystem Research (2007-2011)
- PUBLISHER GRANT - $9,500 from McGraw-Hill for research in educational use of innovative classroom technologies (2003).
- COURSE DEVELOPMENT GRANT - $6,000 from College of Business (2003).
- RESEARCH GRANT - $60,000 from Korean Dept. of Education for e-Commerce Research with Bongsik Shin (2003).
- RESEARCH GRANT - $6,000 from College of Business Administration (2002).
- RESEARCH GRANT – $5,000 from Entrepreneurship Management Center (2002).
- EQUIPMENT GRANT – $745,000 from Sun Corp. Platform Grant 1998).
- EQUIPMENT GRANT - $450,000 from Oracle Corp. Solaris and CASE tools software (1996 and 1997).
- EQUIPMENT GRANT - $800,000 from Sterling Software, CASE and Client Server Software (1995, 1996).
- EQUIPMENT GRANT - $1,325,000 from KnowledgeWare for CASE, Object-Oriented Software (1994).
- LAB GRANT - $225,000 from KnowledgeWare for support and cash (1994).
- EQUIPMENT GRANT - $375,000 from KnowledgeWare for CASE Software (1993).
- RESEARCH GRANT - $30,000 from Finland Academi for Doctoral Student Cash Support (1992 -1994).
- EQUIPMENT GRANT - $295,000 from KnowledgeWare - $295,000 for CASE Software (1991).
- RESEARCH GRANT - $8,000 from University of Colorado for the President's Award for Information Technology (1991).
- EQUIPMENT GRANT - $120,000 from Microsoft for hardware and software (1991).
- PUBLISHER GRANT - $15,000 from Arthur Andersen Design/1 for CASE Software Grant (1989).
- RESEARCH GRANT - $30,000 Canadian from Social Sciences & Human Research Council (1988).
- RESEARCH GRANT - $1,500 from Association for Computing Machinery (1987).
- RESEARCH GRANT - $5,000 Canadian from Social Sciences & Human Research Council (1987).

SCHOLARLY AWARDS

- Outstanding – Auburn University Montgomery, 2017
- Exceeds Expectations - Coles College of Business, research, teaching, and service, 2011-2012.
- Faculty Award – Innovative Website Design for the East African Youth Organizations by the San Diego Police Department, May 23, 2003.
- Best Paper Nomination - "Successful Penetration into the e-Business Environment: An Empirical Study," IEEE: Hawaii International Conference on Systems Sciences - 36 Proceedings, Kona-Kailua, Hawaii, January 6-9, 2003.
- Best Faculty Nomination - Executive MBA Program, San Diego State University, Spring 2002.
- Who's Who Worldwide - Inducted December 1995.
- Best Paper Award - Western Decision Sciences Institute, March 28 - April 2, 1994.
- Outstanding Service Award – University of Colorado College award, 1993-94 academic year.
- Faculty Member of the Year Award, Runner-up for College award, 1991-92 academic year.
- Best Paper Nomination, "The Effect of Task Characteristics on Intended and Actual Utilization of Emerging Technologies," Hawaii International Conference on Systems Sciences 24 Proceedings, Kauai, Hawaii, U.S.A., January 1991.
- Best Paper of Conference Award, "Understanding the End User: The Key to Managing End-User Computing," 1990 Information Resources Management Association International Conference, Hershey, Pennsylvania, U.S.A., May 14-16, 1990.
- Best Paper Nomination, "Behavior/Time Allocations Justifying Promotion to C.I.O.," Proceedings Hawaii International Conference on System Sciences, Kona, Hawaii, U.S.A., January 1989.
- ACM Juried Competition Award - research competition award for 1987 by the Association for Computing Machinery. The research project is entitled, "Executive End-User Computing." The award was judged by a committee on the basis of topic importance, research methodology, feasibility, and research implications.
- ICIS Doctoral Fellow - presented on December 13, 1985 in recognition of outstanding doctoral achievement in the area of MIS research and publications.
- Invited Participant Ph.D. Consortium - 1995 International Conference on Information Systems, Indianapolis, Indiana, U.S.A., 1985.
- Invited Participant Ph.D. Consortium - American Institute for Decision Sciences in Las Vegas, Nevada, U.S.A., November 1985.
- Outstanding Staff Consultant - presented on September 18, 1983 at the University of Georgia, Athens, Georgia, U.S.A., Small Business Development Center, during the period of May 1982 through September 1983 in recognition of outstanding performance.
