Experience

2022 – Present

Professor of Information Systems, Auburn University Montgomery (AUM)

2014 – 2022

Department of Head & Professor of Information Systems

Ensure academic activities and resources align with the mission of the College of Business & University. Enhancing academic quality as well as student success. Managed department budget. Managed faculty recruitment. Managed faculty evaluations. Curriculum Innovation and Development.

Key Accomplishments

- ***HBUE & AUM BSBA IS Collaboration Degree Program Initiator and Coordinator.***
A degree program that involves collaboration between Hubei University of Economics (HBUE) and AUM to offer BSBA IS degree (2+2 BSBA IS degree program).
- ***AUM MS MIS Degree SAP University Alliances Program Founder and Coordinator.***
 - *A successful SAP curriculum was developed and approved by SAP University Alliances.*
 - *Developed and offered MS MIS SAP ERP option degree program.*
 - *Developed and offered MS MIS SAP Business Analytics degree program.*
 - *Developed and Offered SAP Certified ERP and Business Analytics courses.*
- ***AUM MS MIS Online Degree Program Founder and Coordinator.***
 - *A successful fully online MS MIS degree program curriculum was developed and approved by University and SACSCOC.*
 - *Created a comprehensive quality assurance online degree program courses with the Department of Distance Learning at the AUM to certify all online courses as quality matter certified.*
- ***AUM COB Joint Undergraduate Graduate Program Coordinator.***
 - *Initiated the program and developed the curriculum to allow undergraduate students to study at the graduate level. By taking graduate courses your senior year.*
 - *To recruit AUM students to enroll in MS MIS degree program by reducing the time taken to get a graduate degree.*
- ***Alabama Consortium for Technology in Education (ACTE) Statewide Tech Fair Organizer (2014 – 2020)***
 - *A yearly event to promote technology competitions in Grades 3-12 across the state of Alabama.*
 - *Jointly organize Annual ACTE Statewide Technology Competition with Alabama Consortium Technology Education on AUM campus for School Children ranging from Grades 3-12 to compete in different computer technology competition categories.*
 - *Approximately 1100-1300 students and parents attended the event each year at AUM. During the event, AUM promoted itself and recruited students for both its College of Business and Department of Information Systems.*

2014

Interim Department Head, Department of Business Administration

2009 – 2014

Professor of Information Systems, Auburn University at Montgomery.

1997 – 2009

Associate Professor of Information Systems, Auburn University at Montgomery.

1992 – 1997

Assistant Professor of Information Systems, Auburn University at Montgomery.

Education

Ph D, The University of Alabama in Huntsville, 1991.

Major: Industrial & Systems Engineering

Dissertation Title: An Expert System Economic Assessment Model for Manufacturing Cell Formation In Group Technology

MS, The University of Alabama in Huntsville, 1987.

Major: Systems Engineering

BS, Ohio University, 1985.

Major: Civil Engineering
