A minimum of 60 semester hours and an overall GPA of at least 3.25 are required for graduation and certification.

\*\*\*School Counseling Students must complete no less than 30 hrs. before starting practicum unless provided special departmental approval

Notes: May not take any course that was used for prior level certification or degree in any teaching field or area of instructional support and may not take a course for both undergraduate and graduate credit.

Note: You must apply for certification through the College of Education Certification Office (Room 301 in the Education building) when you complete your program.

Counseling is a specialized profession that requires the ability to relate effectively to others and demonstrate academic competence. Because of the special nature of this program, the Counseling faculty reserves the right to making binding decisions regarding the suitability of a student wishing to enroll in practicum and internships.
